Complaint

Category	Fare
Subject	Driver asked for more than the app fare

The driver asked for a higher fare than the amount shown in the app after we had already arrived at the drop-off point. I paid the amount in the app but he kept asking for more and spoke to me rudely in front of the other passengers. I would like the office to look into this and remind the driver of the approved fare. The fare in the app was ₱20.00 and he asked for ₱50.00 for a trip of less than three kilometers.
